CY-HOPE

Our mission is to make life better for all kids in Cy-Fair. Cy-Hope brings HOPE to all students so they will grow up to be well-educated and productive citizens, making a lasting and positive impact on the community. Cy-Hope serves as a catalyst to bring needs and solutions together.

Cy-Fair ISD is the third largest in Texas, and the largest non-urban school district in the country, with 91 campuses.

Our Programs

Over 50% of the 116,000 students in Cy-Fair ISD are considered economically disadvantaged.

Our mission is to make life better for kids in Cy-Fair who are economically, relationally, or spiritually disadvantaged.

Backpack Buddy Program

In an effort to prevent childhood hunger and to provide each child the opportunity to succeed in school and life, the program provides food for economically disadvantaged school children each weekend. Each backpack provides a child with enough food to sustain a family of four through the weekend, when they don't have access to school food.

Dierker's Champs

Dierker's Champs is committed to developing champions on and off the field. Under the direction of former Houston Astros All-Star pitcher, announcer and manager, Larry Dierker, our mission is to provide the best athletic instruction possible in a family-friendly, positive environment. We currently field baseball teams in partnership with Spring Spirit Baseball.

Camp Lemonade

We send youth who could otherwise not afford to go to camp to Stoney Creek Ranch for the ultimate summer camp experience.

Ambassadors of Compassion

Cy-Hope helps equip at-risk students for life via the Ambassadors of Compassion (AOC) Program. This program provides youth the opportunity to personally examine and "experience" life-ready principles in a small group discussion setting with other youth led by a Team Coach.

Counseling Center

Cy-Hope Counseling specializes in play therapy, counseling for children, adolescents, marriage, family, group therapy and autism spectrum disorders. We also offer psychoeducational, AD/HD and neuropsychological evaluations. We provide services on a sliding scale to give all families access to quality counseling.

Phone Number: 713.466.1360

Devine Virtuosos

Devine Virtuosos is a branch of Cy-Hope comprised of music educators who develop and implement social and educational music events to raise charitable funds for music students in Cy-Fair ISD. These funds help the district provide students with the resources necessary for successful and competitive music programs. They also provide music students with opportunities for building creativity, confidence, and community.

Hope Centers

Cy-Hope has Hope Centers in a mobile home community and two apartment complexes where children come for tutoring, life skills classes, mentoring, snacks and recreation. Our Mobile Hope Center offers STEM education to children throughout our community.

"POP" Providing Opportunities Program

Cy-Hope offers scholarships to at-risk students in Cy-Fair ISD to take Advanced Placement or Dual Credit courses. Students earn college credit at much less expense than if taking these courses at a community or four-year college. This program recognizes that not all students are college bound and also covers fees for vocational certifications.

The Hope Chest Resale Market

The Hope Chest Resale Market is a 25,000-sq-ft warehouse and shopping area that benefits the programs of Cy-Hope. This Cypress area "boutique-style" resale market features designer clothing and home decor, as well as 7,000 sq ft of furniture and outdoor equipment.
